

*We would like to acknowledge the Wadawurrung People, who are the Traditional Custodians of the land on which we come to learn. I thank them and their ancestors for looking after this land for thousands of years, and for their kindness and courage in sharing it with us in the present.*

## FROM THE PRINCIPAL

*Dear Friends and Families,*

Thank you to our families that came along to assembly this morning, helping us celebrate the achievements of students in their learning and other areas. For the last three days Megan Hearn and myself have been part of professional learning that has us both reflecting about how proud we are of the students we have at Newington Primary School. One of the students we celebrated today was Ariane who completed the Victorian Premiers Reading challenge. Well Done Ariane on your dedication to reading and challenging yourself.

Last week the Year Six students presented their wonderful inquiry presentations at PYPX, which they should all be very proud of. This morning Olivia and Millie shared about their experience with PYPX and the learning they gained. On the night of PYPX we had many students and families come along to share in the year Six learning, by asking them questions about their learning around the area of Science. Congratulations to all our Year Six students on completing this part of their Year Six journey.

Grade 5/6 Japan Tour 2019: Going

*Konnichiwa!*

Some highlights, looking back and ahead.....

In Term 3, we enjoyed the performance of **Showko**, a Rakugo (puppetry) performer from Japan. **Ninja-Ken** a crowd favourite!

In Week 3, students from Grades 5/6 will be performing the play "**Momotarou**" (Peach Boy) to the school.

In October 2024, Grade 5/6 students will have the opportunity to go to Japan for our **4th Japan Tour**.

I will be taking long service leave for the remainder of Term 4, and welcome Ms. Tania Graham, who will be taking our Japanese classes for the remainder of the year.

Hiragana writing practice

Hiragana books: 5 per week

Hiragana puzzles

Showko & "Ninja Ken"

Momotarou (Peach boy)

"Head, Shoulders, Knees & Toes"

Reading Manga

**Show and Tell:** Does your child own something Japanese? Eaten Japanese food at a restaurant? Have a Japanese related story to share? Learning a Japanese martial art such as Judo or Karate? Students are encouraged to show and share each lesson.

**Origami:** I encourage students to make pieces at home. We have an origami display wall and I'm happy to give origami paper to students to take home. All they need to do is ask! I recommend using [www.origami-club.com](http://www.origami-club.com)

This term we are lucky to have Re Cranked running a program with 12 of our Newington students to repair push bikes. We are looking for donations of unwanted bikes for the program, which after being ReCranked, can be gifted back to our school community for children and families within the school who don't have access to a bike.

Any donations can be left in the bike shed.

Thankyou

Heather Delahunty
